

# Try Everything

Shakira

Number the lines of the verses in the correct order (1, 2, 3 etc)

....I keep on hitting the ground

....Birds don't just fly

....I lost another fight

....I always get up now to see what's next

....I still mess up but I'll just start again

....I messed up tonight

....I keep falling down

....Nobody learns without getting it won

....They fall down and get up

....I keep on hitting the ground

....They fall down and get up

I won't give up, no I won't give in

Till I reach the end

And then I'll start again

Though I'm on the lead

I wanna try everything

I wanna try even though I could fail

I won't give up, no I won't give in

Till I reach the end

And then I'll start again

No I won't leave

I wanna try everything

I wanna try even though I could fail

Oh oh try everything

....Sometimes we come last but we did our best

....Don't beat yourself up

....Baby you've done enough that cut your breath

*....Look how far you've come*

*....Don't need to run so fast*

*....You filled your heart with love*

I won't give up, no I won't give in

Till I reach the end

And then I'll start again

No I won't leave

I wanna try everything

I wanna try even though I could fail

I'll keep on making those new mistakes

I'll keep on making them every day

Those new mistakes

Oh oh, try everything
