

Try Everything

Shakira. Circle the correct option.

I *best/messed/missed* up tonight

I lost another fight

I still mess up but I'll just *party Ben/start again*

I keep falling down

I keep on hitting the ground

I always *get up/fed up/sit up* now to see what's next

Birds don't just fly

They fall down and get up

Nobody *burns/learns/loves* without getting it won

I won't give up, no I won't *give off/give in/give out*

Till I reach the end

And then I'll start again

Though I'm on the lead

I wanna try everything

I wanna try even though I could *frail/flail/fail*

I won't give up, no I won't *give off/give in/give out*

Till I reach the end

And then I'll start again

No I won't leave

I wanna try everything

I wanna try even though I could *frail/flail/fail*

Oh oh try everything

Look how far you've come

You filled your heart with love

Baby you've done enough that cut your breath

Don't beat yourself up

Don't need to *run sofa/run too fast/run so fast*

Sometimes we come last but we did our *best/test/pest*

I won't give up, no I won't *give off/give in/give out*

Till I reach the end

And then I'll start again

Though I'm on the lead

I wanna try everything

I wanna try even though I could *frail/flail/fail*

I won't give up, no I won't *give off/give in/give out*

Till I reach the end

And then I'll start again

No I won't leave

I wanna try everything

I wanna try even though I could *frail/flail/fail*

I'll keep on making those *new pasties/new missions/new mistakes*

I'll keep on making them every day

Those *new pasties/new missions/new mistakes*

Oh oh, try everything
